THE SUMMER OF A LIFETIME STARTS HERE!

Since 1941, children and teens have spent their summers at YMCA Camp MacLean learning new skills, building lasting friendships, and having the summer of their lives in a safe and caring environment. We are committed to ensuring campers have the best camping experience possible. Through small-group living experiences and an active schedule, our goal is to provide campers the opportunity to learn self-esteem and life skills, all while having fun. Words alone can't fully capture the positive impact overnight summer camp experiences have on kids and teens!

Our staff are dedicated to working with youth, and each of our counselors is carefully selected based on their commitment to youth mentorship and positive development. Nearly three-quarters of our staff attended YMCA Camp MacLean when they were younger. They are passionate about camp and hope to provide the same quality experience they had as campers.

The emotional and physical wellbeing of our campers is the single most important thing we consider when it comes to our actions and decision making processes. We provide a staff-to-camper ratio of 1:5 and operate under strict policies and procedures. All staff are trained in health and safety procedures, including First Aid and CPR certifications. Certified Lifeguards are on duty during all waterfront activities and a registered nurse lives on site for the entire summer.

Our location and facilities are just 20 minutes northeast of Lake Geneva, Wisconsin. Nestled along the shores of Rockland Lake, camp is easily accessible yet a world unto its own. Here you will find a peaceful pine forest, 40-acre lake, and open fields. Among the scenery are 21 cabins, the William L. Rust Lodge, campfire areas, an outdoor chapel, and two multi-purpose lodges. YMCA Camp MacLean is accredited by the American Camp Association.

LEGACY CAMPING OPTIONS

EXPLORER PROGRAM

AGES 7-12, FOUR-DAY,
ONE- OR TWO-WEEK SESSIONS

Our popular Explorer program is the classic camp option, providing campers the chance to gain new skills and create unforgettable memories! Children are placed in cabins by age and gender, with a counselor, junior counselor, and up to nine other campers.* On a typical day, Explorers spend the day participating in activities such as archery, arts and crafts, team building, sports, and time in nature, with an hour swimming in Rockland Lake during camp's General Swim. Evenings are spent enjoying games, campfires, sing-alongs, campouts, or the Mt. MacLean Skyway.

Explorer campers tailor their camp experience by choosing various skills-based activities to participate in throughout the session. These activities give camp staff the opportunity to coach new skills such as independence, goal-setting, responsibility, and sportsmanship. We strive to help each camper reach his or her own potential.

PIONEER PROGRAM

AGES 13-16, FOUR-DAY,
ONE- OR TWO-WEEK SESSIONS

Pioneers participate in a range of activities to gain team building skills such as the adventure course, Mt. MacLean Skyway, water sports on YMCA Camp MacLean's waterfront, and recreational games. Pioneers will attend a teen dance where they'll get the chance to relax, have fun, and form a bond with their peers. It is highly recommended to enroll your Pioneer for a two-week session. By enrolling in a two-week session, campers develop stronger relationships, skills, and experiences beyond a one week session. During these two weeks, your camper will have an opportunity to participate in either an overnight camping trip or a canoe trip.*

*Campers must pass our blue level swim test in order to participate in the canoe outing. Those campers who are at different swim levels will have assigned an alternate activity.

**Camp MacLean reserves the right to lower cabin capacities in accordance with public health protocols

“Camp MacLean is a place where all kids are welcome, and kids can be outdoors and active in a safe & supportive environment. We love Camp MacLean!”

SPECIALTY CAMPING OPTIONS

HIGH ADVENTURE CAMP

AGES 12-16

AVAILABLE SESSIONS: #1, #2, #3, #4, AND #7

High Adventure Camp is designed specifically for teens ready to push themselves beyond their comfort zone. Through a combination of high ropes courses, team adventure programs, problem solving, camping, and recreation, teens will develop confidence and self-esteem while learning to build trust with their peers and counselors. The week-long experience challenges campers with 26 unique activities including our forest ropes courses, climbing up Mt. MacLean Skyway, and both our zip lines.

All of our high ropes activities are operated under strict guidelines and include state-of-the-art safety systems. Our well trained staff provide an environment of “challenge by choice,” meaning your camper may choose how far and how much they would like to be challenged.

AQUATICS CAMP

AGES 11-13

AVAILABLE SESSION #6: JULY 21–AUGUST 2

Does your camper love the water? Our Aquatics Camp program provides all of the fun and excitement YMCA Camp MacLean’s beautiful lakefront has to offer. Aquatics camp is a two-week program designed to immerse campers in a variety of water related skills and activities, while also developing character, confidence, and teamwork. Aquatics campers will share a cabin and have meals with others in the program. They will spend more than five hours each day enjoying our waterfront, while also having the chance to participate in traditional camp activities like archery, the Mt. MacLean Skyway, and a campout. Throughout this two-week experience, your camper will have an opportunity to participate in a variety of aquatic activities such as snorkeling, sailing, kayaking, windsurfing, canoeing, distance swimming, and more! Due to the advanced nature of these activities, your camper must pass the blue level swim test. The blue level swim test requires campers to demonstrate and be skilled in front crawl, breaststroke, elementary backstroke, sidestroke, and display endurance in the water.

DEVIL’S LAKE ROCK CLIMBING TRIP

AGES 13-16

AVAILABLE SESSION #6: JULY 21–JULY 26

Is your teen interested in an outdoor climbing and camping adventure? This five-day experience includes the challenging activities found in our High Adventure Camp program with the highlight of a three-day trip to Devil’s Lake State Park where campers will climb rock bluffs overlooking scenic Devil’s Lake. While campers are belayed for safety, the challenge, courage, and sense of accomplishment are real.

This program includes tent camping, rock climbing, outdoor cooking, ropes courses, and hiking. Our staff will teach all the necessary camping and climbing techniques needed for the week. Previous camping experience is not required, but a sense of adventure is! Campers must be picked up from camp on July 28th, 2023, there will be no bus service on July 28th.

“My son is 13 and was not happy that I was sending him to camp, and I regretted my decision to send him. But, when I picked him up from the bus after camp, he was so happy and chatting about all the fun he had, thank you Camp MacLean for giving my son the best time ever!”

BACKPACKING I “ICE AGE TRAIL”

AGES 11-14, AVAILABLE
SESSION #5: JULY 14-19

Join us on a backpacking trip to the Ice Age National Scenic Trail running through the Kettle Moraine State Forest – North Unit! This program is designed for those wanting to learn basic back-country camping skills. Campers will learn the basics of backpacking, trail camping, cooking, and outdoor living. Experienced staff will accompany the campers during this journey, providing an encouraging environment for campers to learn all the necessary techniques needed on the trip. The days are packed with adventure throughout the trail and end with peacefulness between the trees, wildlife and night sky. Previous backpacking and camp experience is not required for this trip! The Ice Age National Scenic Trail is part of the U.S. National Park Service and is a real gem in our own backyard.

LEADER IN TRAINING AND COUNSELOR IN TRAINING

We take great pride in our two-year youth program, designed for teens going into high school. Youth are invited to join the first year, Leader In Training program. The following year, youth are invited back for the Counselor-In Training program. These campers focus on developing leadership and life skills important for their success in their future education and employment opportunities. Many Camp MacLean counselors have graduated from our Leader In Training and Counselor In Training programs. Each one of these counselors will say it was one of their most impactful summers at camp. Camper experience is required for this program.

Please contact the Camp Office at 262-763-7742 for more information.

HORSEBACK ELECTIVE

Enjoy the beauty of Wisconsin’s rolling hillside while gaining the love of horses on a trail ride. Campers ages nine and up can come enjoy this wonderful experience at the stables of Grand Geneva Resort in Lake Geneva, WI. Under the supervision of our staff, campers are transported to the ranch for a horseback riding experience.

Campers who select the horseback elective attend one trip per session with an extra fee of \$62 per session.
